Description

OVERVIEW

The EX DLX is an economy trailer with even more value added. When you want an entry-level cargo trailer with ultimate value, consider the Cargo Express EX DLX. With even more standard features than the base EX Series model, the EX DLX is available in both round and slope nose V-front styles and 5' -- 8.5' widths. With so many sizes available, this trailer is versatile enough to haul everything from basic cargo to motorcycles, UTVs, snowmobiles and automobiles.

This deluxe trailer is loaded with standard features you may not expect for an entry-level unit. Along with the quality construction features you expect from Cargo Express such as tube main frame construction, a one-piece aluminum roof, automotive undercoating, LED lighting and a 3-year limited warranty, the EX DLX is also full of convenience features-15" radial tires, (1) LED dome light and switch, 16" stoneguard, high performance flooring and sidewall vents to name a few. Choose between either single/double doors or a ramp door to fit your hauling needs.
