Description

OVERVIEW

The XL Series SE trailers are feature-packed and offer the most versatility and value. When you need a mid-line trailer with even more standard features that is versatile enough to haul vehicles or cargo---or even double as a landscape or work trailer - choose the XL Series SE. This special edition trailer offers even more standard features than our basic XL Series model and is available in 5', 6', 7', 7.5' and 8.5' widths and 8' - 28' lengths. These flat or round top trailers come standard with the top-of-the-line features you expect from Cargo Express, including tube mainframe construction, ATP exterior accents, LED lighting, radial tires, sidewall vents and 12V dome light and switch.
